Bumble Bee
a play house cafe

coffee. food. kids.. a kid friendly Cafe & restaurant

Bumblebee is the joining of three passions: Coffee, Food and Kids. We are here to meet the expressed needs of parents while providing an atmosphere for kids to be themselves. We are the kid friendly coffee shop. Just nod if any of the following resonate

- ÿ It's so quiet in this cafe and my children are being loud - totally uncomfortable!
- ÿ My flat is pretty small....and oh, you're bringing all your kids?
- ÿ Finish a conversation? What? Is that possible once you have kids?
- ÿ No play area for kids around!
- ÿ Mommy, daddy, mommy, daddy, mommy, daddy, mommy, daddy!
- ÿ Down time and "me" time is what I need...yes, I'll take a delicious latte please.

Bumblebee seeks to bring some element of calmness back to your life. A parent's job is rewarding - but it's no cakewalk! It's fun, exciting and heartwarming, but oh can it be exhausting!

What people say about us !

We celebrated our daughter (Ameya) 5th birthday .It was nicely decorated when we walked in. The kids enjoyed the play area and were not willing to come out. The food was very good and both kids and adults liked it. The shacks kept coming . All in all kids had lot of fun.

I would recommend this place for brithdays of small kids (2-6)year
